

NEW ERA DETROIT INTRODUCES:

THE STREETS IS WATCHING

PEACE! N.E.D.'S STREETS IS WATCHING PATROL HAS KICKED OFF IN YOUR AREA!

This program is designed to combat the senseless violence happening to our children while traveling to and from school and to protect our women and elderly. We will create "safe zones" and "safe routes" to ensure their safety during the day. As a community we create our own change within our neighborhoods. We cannot wait on the steam of people and officials who don't live in our communities to help us stop this senseless violence against our babies and women. The police cannot be everywhere at once. So we are taking the initiative and asking the community to join us in patrolling this area Three times a day! Patrols will cover the area north from Fullerton, south to Schoolcraft, surrounding Noble elementary & Flagship academy. We know that with YOUR support we can create a must needed change in our communities!

WE NEED YOUR COMMITMENT TO WHEN AND HOW OFTEN YOU CAN PARTICIPATE! PLEASE TAKE THE TIME TO FILL OUT THE FORM BELOW.
